What is the Alumni Association?

The New Mexico State University Alumni Association is one of the oldest organizations on campus. On May 24, 1898, a meeting of all graduates of New Mexico College of Agriculture and Mechanic Arts was held for the purpose of forming the Alumni into a permanent organization.

What is the main purpose of the Association?

The organization provides a means of continuing communication between graduates of the University and the formulation of social events. It helps bind alumni, students and friends to the University for the success of all.

What else does the Association do?

The Association is an interdependent body that assists with maintaining a listing of former students and serves to promote good public relations between the University and its former students and alumni. The Association promotes the interests of these individuals through a variety of programs.

What will the Association do with my membership dues?

The Alumni Association membership dues help involve alumni in the life and growth of NMSU and help support alumni programs which benefit not only alumni but high school students and current NMSU students as well.

What are the Association programs?

The following is a sample of programs we have to offer:

Summer Send Off

NMSU Summer Send Off is a program the NMSU Alumni Association and Chapters host each year. Our goal is to help the students feel better about attending NMSU, and to help them get acquainted with other incoming freshmen.

Scholarships

The Association offers three Alumni general scholarships, one Student Leader, and the License Plate Scholarship.

Outstanding Senior Awards

Each spring and fall the Association hosts a banquet to honor outstanding seniors and their families. A senior from each college, the Office of International and Border Programs, and Graduate School is presented with a special award from the Association. Along with the main campus, the community colleges of NMSU throughout New Mexico also celebrate their outstanding seniors.

Homecoming

Class Reunions focus on continued ties of affection for each other as classmates and graduates of NMSU from 40, 50, and 60 years ago. Each year an alumnus from each college is honored with the Distinguished Alumni Award. Also honored are the recipients of the James F. Cole Memorial Award For Service.

Chapter Events

Planned activities for alumni of NMSU in a specific area are invited. These events are often around sporting event in the area. Other activities held have been BBQ's, and receptions.

The Aggie Panorama

A magazine containing important news about the University and Alumni Chapters.

Aggie Millionaire Scholarship Club

This Program is designed to provide an extra measure of support for alumni scholarships. If 10,000 Aggie Alumni donate \$100 each, we will have a million dollars to endow scholarships.

What has my membership dues sponsored in the last year?

Your dues have sponsored among other things, the Aggie Panorama, Athletic Promotions, Distinguished Alumni Awards, Branch Campus Awards, Outstanding Senior Awards, Outstanding American Indian Senior Award, Chapter Events, Grad Fair, and Summer Send Off for incoming Freshmen.

**Join now and reap the rewards
Of being a member of the
New Mexico State University
Alumni Association**
